## III Statement of Responsible Officer

I am a partner, owner, or officer of the lobbying firm of KP PUBLIC AFFAIRS.

I am the person responsible for filing statements and reports and keeping records required by Chapter 6 of the Political Reform Act (Government Code Sections 81000-91015). I have read and understand the prohibitions contained in Sections 86203 and 86205.

**86203.** It shall be unlawful for a lobbyist or a lobbying firm to make gifts to one person aggregating more than ten dollars (\$10) in a calendar month, or to act as an agent or intermediary in the making of any gift, or to arrange for the making of any gift by any other person.

"Gift" as used in Section 86203 means a gift made directly or indirectly to any state candidate, elected state officer, or legislative official, or to an agency official of any agency required to be listed on the Registration Statement of the lobbying firm or the lobbyist employer of the lobbyist.

**86205.** No lobbyist or lobbying firm shall:

(a) Do anything with the purpose of placing any elected state officer, legislative official, agency official, or state candidate under personal obligation to the lobbyist, the lobbying firm, or the lobbyist's or the firm's employer.

(b) Deceive or attempt to deceive any elected state officer, legislative official, agency official, or state candidate with regard to any material fact pertinent to any pending or proposed legislative or administrative action.

(c) Cause or influence the introduction of any bill or amendment thereto for the purpose of thereafter being employed to secure its passage or defeat.

(d) Attempt to create a fictitious appearance of public favor or disfavor of any proposed legislative or administrative action or to cause any communication to be sent to any elected state officer, legislative official, agency official, or state candidate in the name of any fictitious person or in the name of any real person, except with the consent of such real person.

(e) Represent falsely, either directly or indirectly, that the lobbyist or the lobbying firm can control the official action of any elected state officer, legislative official, or agency official.

(f) Accept or agree to accept any payment in any way contingent upon the defeat, enactment, or outcome of any proposed legislative or administrative action.
